

Description:

Opposing sheep herds go head to fluffy head in this quick-moving strategy game!

The goal is to have your herd occupy the most pastures. Split your herd and move your stack to a greener pasture. This fast-moving game of strategy is fun for the whole family.

On each turn, players split a stack of their sheep and move a portion as far as it can go in a straight, unblocked line to a new pasture.

Watch out for sneaky sheep and plan your moves carefully to fence out your foe. Occupy the most pastures to win. Remember, the grass is always greener for strategic sheep!
